

PRELIMINARY PROGRAMME

- 09:00 Reception of participants
Opening Session
- 09:30 **SESSION 1: NANoREG PROJECT**
Chairman: *Helena Gouveia, ISQ*
The NANoREG project: Social context, main objectives and activities
Tom van Teunenbroek, NANoREG project coordinator, Ministry of infrastructure and the environment the Netherlands
- 09:50 **SESSION 2: NANOTECHNOLOGY- NACIONAL PRIORITY?**
Chairman: *João Lavinha, INSA*
- 10:30 *Strategic vision for nanotechnology*
- 11:00 *Nanotechnology and nanosafety research in Portugal*
- 11:30 **BREAK**
- 11:45 **Portuguese participation in the NANoREG project**
Presentation of the PToNANO consortium, Helena Gouveia, ISQ
Nanosafety, Maria João Silva, INSA
Metrology and Standardization, Fernanda Saraiva, IPQ
*Risk assessment, Teresa Borges, DGS**
- 12:45 **LUNCH**
- SESSION 3: LEGISLATION AND NANOTECHNOLOGIES - CASES FROM INDUSTRY**
Chairman: *Fernanda Saraiva, IPQ*
- 14:00 *Regulatory aspects*
- 14:30 *Internacional industry perspectives*
- 15:00 *Applications and concerns of the Portuguese industry*
- 16:00 **BREAK**
- SESSION 4: NANOSAFETY**
Chairman: *Teresa Borges, DGS**
- 16:10 *Toxicity*
- 16:30 *Occupational health*
- 16:50 *Nanoparticles and environmental legislation*
- 17:10 *Implementation of regulations on cosmetics and nanomedicine*
- 17:30 **ROUNDTABLE**
What is the role of industry, science and legislators in the governance of nanotechnology?
- 18:00 Closing session

* Presently at Joint Research Centre, Institute of Consumer Health and Protection (IHCP) (Italy)
